

AGAPE PET SITTING

Key Retention

One of my goals at Agape Pet Sitting is to make your trips as convenient and seamless as possible. At the end of your first sit if you are completely satisfied with the service I provide, then we can make your future trips easier and more expedient.

When Agape Pet Sitting takes possession of your key they are coded so that the keys cannot be matched to your personal information. When not being used during a pet visit, your key will be kept in a lock box. Even if you provide an access code to the house, I like to keep a key in case of power outages.

By implementing these precautions I am able to continually retain your keys for future sits. This will eliminate the need for me to pick up and drop off your keys after every visit. This will not only help you, but it will enable me to provide you with exceptional care. At any time, if you wish to start this service, or discontinue this service I will promptly follow your desires.

I hope this service will provide you with a benefit that will make taking trips that much easier.

If you want to take advantage of this service, please sign this document and return it with your payment and invoice.
